Dear Friend,

Thanks for downloading this extensive list of paid traffic sources.

The purpose of this rolodex is to give marketers, like yourself, a variety of different paid traffic sources to buy web traffic from.

Traffic is the lifeblood of any online business, whether you sell your own product or service or do affiliate marketing.

There are literally billions of banner impressions and clicks available to buy EACH day and it's quite possible to have hundreds of thousands of visitors coming to your web sites and landing pages each day.

I know this because I spend thousands of dollars a day buying traffic from networks like Google Ads, Microsoft Ads, Facebook Ads and dozens of other sources.

From experience, I firmly believe that to achieve mass amounts of targeted traffic, paid traffic is the best route.

Why?

Because unlike SEO (Search Engine Optimization) or other free traffic sources, paid traffic is:

1. Controllable

2. Predictable

3. Consistent

4. Scalable

In this rolodex, you'll find paid traffic sources that allow you to start buying traffic almost immediately.

Start testing different sources and you will find one that sends converting traffic to your products, services and affiliate offers.

Of course, it comes down to split-testing and optimization to get your offers to convert into more leads and sales from certain traffic networks.

Once you get traction on one platform, my recommendation is to focus and master that platform first, before you start buying traffic from others.

The bulk of my paid ad spend has been on driving online traffic to CPA affiliate offers.

I've made millions of dollars in affiliate commissions without having to worry about:

- Product Development
- Inventory
- Refunds & Chargebacks
- Shipping & Fulfillment
- Customer Service
- Merchant Accounts

In fact, I believe it's that fastest and best way to earn an income online.

Below is a screenshot of just one month commission stats for just **ONE** CPA offer I'm promoting.

Report Summary

CONVERSIONS	PAYOUT
4,348	$78,222.00

Are you interested in building a six-figure income promoting CPA affiliate offers?

With my traffic rolodex, you already have plenty of web traffic sources to buy traffic from.
